

Credential Transfer Portal

A globally connected and trusted verification process serving health professionals crossing borders

What is the Credential Transfer Portal?

It is a web portal for schools, regulatory authorities, and other organizations to provide and certify credentials and related information electronically to CGFNS – thereby eliminating the need to convey paper documents.

Benefits

Speedy

Secure

Reliable

Accurate

Efficient

Trusted

Connecting your Issuing Authority

- Contact your school, licensing organization or other issuing authority and recommend that they join the Credential Transfer Portal by submitting a request via:

www.cgfns.org/ctp

- Only requests from officials at issuing authorities will be considered.
